

REMEMBERING
Arthur Gordon Warren
November 8, 1933 - June 28, 2023

It is with a heavy heart that we announce the passing of Arthur Gordon Warren, who passed away June 29 at his home in Powell River.

Arthur was born on Bell Island, NL, on November 8, 1933, the first born son of Elias and Barbara Warren. A young adventurer, he loved to spend countless days combing the sea tide, fishing for crab, Connor and Tommy cods.

As a young man he realized his dream to build things. He loved working with his hands, building condos, houses, apartment buildings; there was no stopping him, he loved to work!

Art was predeceased by his brothers Baxter and Clarence (Grace), and sisters Ruth (Ken) and Linda. He is survived by his brother Norman (Shirley), his sisters Joan (Clayton), Kay (Mike) and Shirley (Paul), his son Chris (Ardele), daughters Barbara (Lewis) and Colleen (Neil), grandson Trevor and many nieces and nephews.

Arthur is also survived by his wife Helena, stepsons Jack (Ildiko) and CJ, and baby Liam. You will be missed forever.

Go home to God, he is waiting. Until we meet again.

At this time we would like to thank Dr. Dohm, all the hospital staff, the home care staff; you went above and beyond the call of duty.

Big thank you to Jody, you were amazing! Thank you Dr. Bornowski.
