Relation: I worked on the Paper Machines with Ian for many years

My deepest sympathy to the Family, Ian was a wonderful man and will be missed by all who knew him

Tribute from Peter MacDonald

Relation: co-worker

I was very sorry to hear of Ian's passing. We spent 5 years trying to make paper machines run better in Powell River. Ian was a prince of a man who only had one way of doing things. Straight ahead with a smile on his face. His work ethic was unmatched and the respect he had from everyone who worked with him was well deserved. I was lucky to have known him. We are worse off without him.

Tribute from Juha Jarvinen

Relation: Friend and co-worker

My deepest sympathy goes out to the family and friends that Ian left behind. His passing has deeply impacted many of us that learned to respect him as a friend and a co-worker.
