### **Tribute from Lois and Howard Bridger**

Relation: Friends of family

Cindy and André, we just came from the memorial you held for Jessica. So beautiful to see so many of her previous caregivers and companions gathered to remember her. The photographs you shared clearly show a child who knew how loved she was. Her smiles and spark in her eyes tell of a child who appreciated those around her.

### **Tribute from Sharlene Tate**

On behalf of your friends from Paddling For Life dragon boat team, Cindy, please know that we are all thinking of you and your family as your comfort each other with the passing of your beloved Jessica. It has been a journey of love, laughter, tears and joy over Jessica's too short life as well as a learning curve you have all had the privilege to travel. Jessica was loved in life and will be remembered always as a beautiful light in your lives.

Please accept our sincere condolences.
