Tribute from Jean 'John' Perras

Relation: Fishing buds

Holy macaroni & Wednesdays. Johnny Gray was a character alright. I met him through a fishing buddy when he lived in Sylvan Lake, Alberta. Had great times on the ice and open water. We cooked bacon, hashbrowns & eggs in a spade with tiger torch on the ice. I remember him hanging fish heads in the trees so he could watch the birds peck at them. May you have the best Wednesdays, Johnny Gray...
