Relation: Childhood friend of Deb and Dawn

Dear Deb, Dawn and family,

I'm so sorry to hear of your mom and Dan's passing. Your mom made me feel like part of your family whenever I went to your home. I really loved to be around all of you. Dan was kind and I remember laughing a lot when I visited. Thank you for those beautiful memories. I remember when Hannah was born and your mom when she was really pregnant. She still kept us on our toes. I don't know if you remember the time I stayed overnight and the pet tarantula was not in its cage when we got up in the morning. The next bit is a bit blurry, but it involved a lot of shrieking and your mom and Dan running into the living room to find out what was happening. Again, more good memories.
